#1 of the delays and difficulties in obtaining concurrences among the IAC Members who place responsibility of their own offices paramount and who tend towards the incorrect stand of being a Board of Directors rather than an Advisory Committee.

#2 Insert

.... delays and difficulties and in some cases refusal.

#3 There is not a real "free flow" of data to C/A from the IAC agencies, especially of acquisition and so-called "operational" information, so necessary for the preparation of real national intelligence.
